Beautiful post box - very  
hot but houses are in condition  
so we're comfortable. Much  
tradition with 4 Generals  
on the site. We leave soon after  
they are settled for some time  
to be with Anne Marie Nelson. Her  
mother was buried here one hour  
last October. - They lived to live in  
Keene. Have you had your meeting  
Laura said it should be 6/27 -  
Hope to be in Keene for a time before  
we return. Hope all is well - Love, Catherine
